Erotic Dreams of Sarah Palin

We dream of Sarah wearing nothing but antlers.....

We dream of Sarah sprawled naked
on a polar bear rug.....

We dream of Sarah's eyeglasses
tangled up in her pubic hair.....

We dream of Sarah in a snowfield in a bikini,
nipples taut as icicles.....

We dream of Sarah's hooch ha: the size of Alaska.....

We dream of Sarah riding a mechanical,
lipstick-wearing pitbull.....

We dream of Sarah's ovaries:
two swollen snowberries.....

We dream of Sarah looking at MILF-porn on the net.....

We dream of Sarah skinny dipping in a hot tub as the sky
creams snow and the red sun rapes the blue horizon.....

We dream of Sarah eating raw elk,
blood leaking down her chin.....

We dream of Sarah with fork marks on her ass.....

We dream of Sarah in a red negligee,
playing the flute.....

We dream of Sarah lactating.....

We dream of Sarah wandering naked
in a blizzard of shredded ballots.....

We dream of Sarah with a strap-on.....

We dream of Sarah drilling for oil
wearing nothing but oil.....

We dream of Sarah with guns.....

We dream of Sarah stuffing an owl she shot herself.....

We dream of Sarah licking the stuffed owl.....

We dream of Sarah stuffing the owl's beak up her asshole.....

We dream of Sarah pressing her breasts to a frozen window at night.....

We dream of Sarah masturbating in the house
as the storm rages, no one else for miles.....

Kate Durbin

Kate Durbin is the author of the poetry collection *The Ravenous Audience* (Black Goat/Akashic 2009), as well as the chapbook *Fragments Found in a 1937 Aviator's Boot* (Dancing Girl Press 2009). Her poems have appeared or are forthcoming in various journals, including *Drunken Boat*, *Action Yes*, *elima*, *The Ledge*, and others. Recently she was featured in *Poets and Writers Magazine*, for their "12 Debut Poets" article. She lives in Whittier, CA, where she is working on a second book of poetry and a novel.
