

# The Razor Babes

## Melissa Grossman

Last night I saw the crescent moon  
smiling in the sky.

## Sandra Hunter

I still can't believe you've punctured  
a new hole in the way I breathe.

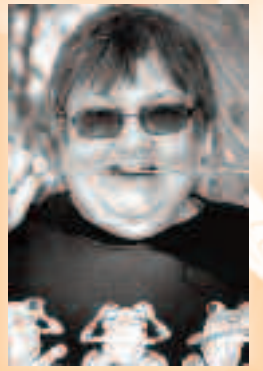

## Beth Megill

The memories of dances past  
live inside these cells.

## Crystal Salas

This is the era  
of glass prose.

## Joan Day

I dipped my feet in the pool of fame,  
came out with a pedicure.

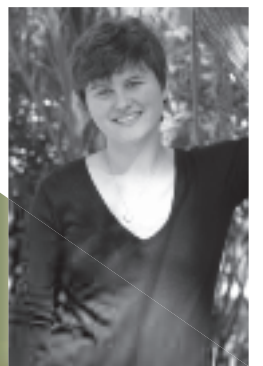

## Joelle Hannah

I'm the trouble shooter, the do-it-yourselfer:  
I am The Woman Who Holds the World Together.

## Sandra Knapp

The stars are fine  
just where they are

## Christy Morgenroth

I've been driving past my old house lately  
just to check if I'm home.

## Maggie Westland

...do you still have those  
high red boots...
